## ASIA GOLA

The ASIA GOLA programme features a door in plywood that needs no handle thanks to its veneered, inset surround which can be made to the same colour as the door. This system gives a flush effect between worktop and door that reflects the latest minimalist design tendencies.

Colour variations:

- Natural oak
- Bleached oak
- Polished oak
- Natural wengé (8000)
- Natural cherry
- Sirca grey
- Grey 156
- Colour card available
- (all ral)

## ASTRA INOX

The ASTRA INOX programme features the highly decisive look of stainless steel. This is a kitchen with a unique style and colour neutrality that fits in with any kind of surroundings and design styles without disturbing them. The worktop is welded to the cook top and sink unit in a single straight or corner bloc unit for an uncompromising effect and result.

Durability and hygiene are the winning points of this model.

## TECNA

The TECNA programme has a high precision aluminium surround with various alternatives for the internal motif.

Coloured glass (the whole ral range)  
Wengé wood (8000)  
Natural and bleached oak  
Lacquered (embossed and glossy)  
the whole ral scale.

Tel: (+39) 055 8071329  
Fax: (+39) 055 8071362  
E-mail: [info@askcucine.it](mailto:info@askcucine.it)

## ASIA TELAIO

The ASIA TELAIO programme features plywood phenol doors in a 100 x 100 mm frame and an internal motif again in wood in the colour variations:

- Natural oak
- Bleached oak
- Polished oak
- Natural wengé (8000)
- Dark graphite wengé (156)
- Natural Cherry
- Custom colouring available.

Tel: (+39) 055 8071329  
Fax: (+39) 055 8071362  
E-mail: [info@askcucine.it](mailto:info@askcucine.it)

## HYDRA

The HYDRA programme has a high-pressure curved glossy white water-repellent laminated door, with an inset aluminium handle. This programme allows the worktop to be assembled flush with the door without the protuberance of the traditional handle.

Tel: (+39) 055 8071329  
Fax: (+39) 055 8071362  
E-mail: [info@askcucine.it](mailto:info@askcucine.it)

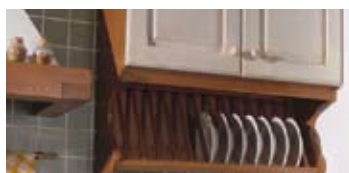

## SOFIA

SOFIA programme show a neoclassic solution.

It's possible to display this kitchen in both modern and country surroundings thanks to its personality and comfort.

The vintage, lacquered door give to this kitchen an unique feeling in its kind.

Tel: (+39) 055 8071329  
Fax: (+39) 055 8071362  
E-mail: [info@askcucine.it](mailto:info@askcucine.it)

## CLARA

The CLARA programme has a door in solid chestnut for those who enjoy the warmth of wood and a decidedly classic atmosphere.

Colour variations:

Chestnut

Antiqued Chestnut

Ivory.

## ASTRA DIAMANTE

The Astra Diamante programme offers a lacquered door with an incorporated, painted handle. Available versions: gloss, embossed, matt and metallic. Customised colours are the strong point of this solution, with the possibility to customise the door from the RAL colour chart and even supply colours according to customer samples.

Tel: (+39) 055 8071329  
Fax: (+39) 055 8071362  
E-mail: [info@askcucine.it](mailto:info@askcucine.it)

## ELISIR

Elisir is the product of the merger between tradition and more modern minimal style. Welcoming with unprecedented elegance. Various mouldings on the details and the door elegantly blend together and benefit from an excellent neoclassical style. Available versions: gloss, embossed and matt. Customised colours are the strong point of this solution, with the possibility to customise the door from the RAL colour chart and even supply colours according to customer samples.
